TO THE 1872 BEERS ATLAS

OF MONROE COUNTY, NEW YORK

Prepared by the Genealogy Round Table
of Monroe County
2007-2009

The various Town Plans, Village Plans, etc. in the Monroe County 1872 Atlas were divided, where possible, into four sections: NW (Northwest), NE (Northeast) SW (Southwest) and SE (Southeast). The names in each were extracted to provide this listing.

Example:

A few maps, because of their size, are simply designated N (North) or S (South). Other areas will be obvious when you refer to the correct page in the Atlas

A number following a name indicates more than one property in that same area for that person.
